## THE STAR OF BETHLEHEM

The unfolding of the story of the Incarnation continues today as the Church celebrates the Epiphany. The tale of the magi from the East is one of the most fascinating in all of scripture. It has much to teach us about what we can come to expect, even in circumstances and places that may seem insignificant or small. Bethlehem was a tiny town, what we might refer to today as a town without even one stop light. Yet it is over this seemingly insignificant place that the guiding star stops in its own search for the place where the Savior would be born. Too often we fail to recognize the fact that the star of Bethlehem comes to rest in our everyday lives, where we can experience God's presence, manifested in ever new ways. Epiphany calls us to shake off our stupor and recognize the One who comes to save us. Copyright © J. S. Paluch Co., Inc.
