Respect Life Quote

A Witness to Life: In April of 1962, St. Gianna Beretta Molla, a young Italian wife and mother, placed the life of her unborn child ahead of her own. Despite her medical condition and the advice to abort her fourth child, she chose to remain pregnant. When doctors had to perform surgery to remove a uterine tumor, she told them, "If you must decide between me and the child, do not hesitate: choose the child - I insist on it." Months after the successful surgery, St. Gianna gave birth to a healthy girl, but died from complications seven days later.
